

Civil Protection Test Alarm

all over Austria on Saturday, the 1st of October 2022,
between 12:00 p.m. and 12:45 p.m.!

In case of emergency 180 sirens and the „Stadt Wien App“
alert the population of Vienna.

An Austria-wide civil protection test alarm is carried out once a year to familiarize the public
with these signals and test the functionality and range of the sirens.

Meaning of the Signals:

Testing		 15 seconds	Testing the operability of sirens
Warning			3 minutes steady continuous tone Approaching danger! Turn on radio, television (ORF) or the internet (www.orf.at), and follow the rules of conduct.
Alarm			1 minute ascending and descending wail Danger! Look for protective areas or rooms, follow the rules of conduct announced over radio, television (ORF) or the internet (www.orf.at).
All Clear			1 minute steady continuous tone End of danger! Follow further advices via radio, television (ORF) or the internet (www.orf.at).

In case of emergency,
the „Stadt Wien App“
also provides information.
